Marshall and Bob,

Attached please find a draft Declaration and distributor notice submitted in support of the requested termination of the SSURO. Seal Shield has prepared this in accordance with EPA instructions in previous email communications. As we have discussed, this is a matter of extreme urgency for Seal Shield and any effort of EPA to expedite the review of these documents and issuance of a termination would be greatly appreciated.

In addition, Seal Shield reiterates its request for use of its website for the Electroclave product only. Seal Shield proposes to use the text of the single Electroclave page to SealShield.com, so that this page is all that can be viewed on SealShield.com. Again, a prompt response to this request would be greatly appreciated.

Thanks for your continued cooperation.

Sincerely,

Ed Schwartz
